November 2019

Dear Library Friend,

Season's greetings to you as we approach 2019 Thanksgiving and holiday time! The Library Trustees, Director Harper, and the Library staff thank you from the bottom of our hearts for your past generosity, and stand always ready to serve you in every way a library can.

Where can one escape the steady drum of unwelcome marketing phone calls and the "always on" demands of our busy times? It's the Hingham Public Library, of course, an oasis of caring, learning, and strength of purpose amid the pressures and distractions of contemporary life! Come in and stay awhile, relax in our reading room, read in our courtyard garden, explore the historical collection, meet friends, do research, or use the computers. We offer movies, book reviews, art shows, author talks, and concerts. Many people study in preparation for important exams, projects, or pursuit of lifelong learning — all on offer to please you, dear Reader, with a smile from our friendly library associates.

Because we want to be worthy of your continued appreciation, we must ask once again for your financial help. To maintain the educational programs, availability of materials for loan, the cultural delights of our art galleries, classes and lectures, music concerts and video offerings, we need your help. Contributions in any amount are gratefully received. We enter the names of those who donate more than \$150 in a January 15 drawing. The winner will receive a \$200 gift certificate to a Hingham restaurant of his or her choosing.

With profound gratitude for all of your encouragement and support, the Library family sends you warmest wishes for a 2020 New Year full of good health, prosperity, and happiness.

Sincerely yours,

David Mehegan
