November 2022

Dear Friend of the Hingham Public Library,

We are delighted to let you know the Hingham Public Library is busier than ever with programs and resources for everyone — from your littlest neighbor to our senior citizens.

Seeing so many familiar and new faces and feeling the hum of activity throughout the library has been an incredibly joyful experience this year. We are also very grateful to the thousands of residents who take advantage of our amazing online resources every single day!

The Hingham Public Library is truly the center of our community. Here is a sampling of all the programs and resources we offer:

- *Story Hours for young children and Book Groups for all ages*
- *Author Talks both online and in person*
- *eBooks and audiobooks through the Libby app*
- *Online magazine and newspaper subscriptions*
- *Technology training and borrowing*
- *Art exhibitions and Museum passes*
- *Sunday afternoon concerts*
- *Home Delivery service for homebound residents*

The generous financial support from the community is critical to sustaining all of the Hingham Public Library's offerings. ***None of them can happen without your investment.*** Although the Town provides funding for most operating expenses such as building maintenance and salaries, ***our mission-critical funding for programs, books, and other library resources comes from your generosity!***

Please join us in making a donation this year, so that the Hingham Public Library can continue to provide these amazing resources!

Your contribution is invaluable and greatly appreciated. The Board of Trustees and everyone on the Library staff wish you a happy, healthy and peaceful 2023.

Sincerely yours,

David Mehegan
Chair of the Board of Trustees

Alyson Molloy Hussey
Trustee
